**REQUEST FOR ACKNOWLEDGMENT OF EXAMINER'S CONSIDERATION OF
PREVIOUSLY FILED INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

Applicants filed a Request for Acknowledgement of Examiner's Consideration of Previously Filed Information Disclosure Statements and an Information Disclosure Statement on November 12, 2004. Applicants have now received signed acknowledged copies of the Supplemental Information Disclosure Statement filed on May 23, 2003. However, Applicants still have not received signed copies of the PTO Forms PTO-1449 indicating that the Examiner has considered the references cited in the Supplemental Information Disclosure Statements filed on August 18, 2004 and November 12, 2004. Copies of the previously-filed Supplemental Information Disclosure Statements are attached hereto. The Supplemental Information Disclosure Statement filed on August 18, 2004 was submitted after the mailing of the first Official Action but before the mailing

of the Notice of Allowance. The Supplemental Information Disclosure Statement included the required fee of \$180.00. Accordingly, it is respectfully submitted that this Supplemental Information Disclosure Statement was proper and should be considered pursuant to 37 C.F.R. § 1.97.

The Supplemental Information Disclosure Statement filed on November 12, 2004 was filed after the mailing of a Notice of Allowance and simultaneously with payment of the Issue Fee. The Supplemental Information Disclosure Statement included the required \$180.00 fee and the certification that no one associated with the prosecution of the application had known of any of the references more than three months prior to the filing of the Supplemental Information Disclosure Statement. Accordingly, it is respectfully submitted that this information is proper under 37 C.F.R. § 1.97 and should be considered by the Patent Office.

On January 6, 2005, Applicants discussed the Supplemental Information Disclosure Statements with Examiner Harry Hong. Examiner Hong indicated that the file was currently unavailable, but that Applicants should send a request that the Supplemental Information Disclosure Statements be considered. It is respectfully submitted that this request satisfies the requirement from the Examiner. Accordingly, Applicants respectfully request that the Supplemental Information Disclosure Statements filed on August 18, 2004 and November 12, 2004 be considered by the Examiner. Applicants respectfully request that the Examiner acknowledge consideration of the references cited in the Supplemental Information Disclosure Statements by returning a copy of the PTO Forms PTO-1449 initialed by the Examiner in the indicated locations.

Please feel free to contact the undersigned Attorney if there are any questions.

Although no fee is believed to be due, the Commissioner is hereby authorized to charge any fees associated with the filing of this correspondence to Deposit Account Number 50-0426.

Respectfully submitted,

Sir:

In accordance with 37 C.F.R. 1.56, 1.97, and 1.98, applicants' undersigned attorney brings to the attention of the Patent and Trademark Office the documents listed on the attached form PTO-1449. Copies of the documents as well as Form PTO-1449 are attached hereto. This is not to be construed as a representation that a search has been made or that a reference is relevant merely because cited.

The Ericsson Distributed Wireless Office System (DWOS) described in the documents listed on the attached form PTO-1449 appears and is believed to be Ericsson's commercial product corresponding to Ericsson's U.S. patent no. 6,411,632 to Lindgren et. al. The DWOS is described in the documents as a wireless PBX and is not

described in the documents as an STP. Further, Applicants believe that the DWOS included SS7 interface cards and IP interface cards, and the conversion from SS7-to-IP and IP-to-SS7 occurred on the respective cards.

This information is being submitted after the mailing of the Notice of Allowance, but prior to or simultaneously with payment of the Issue Fee. Pursuant to 37 C.F.R. § 1.97(d) Applicants respectfully request that the documents cited in the Information Disclosure Statement be considered because:

- (1) Applicants certify that no item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned attorney, after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in section 1.56(c) more than three months prior to the filing of the Information Disclosure Statement; and
- (2) authorization to charge Deposit Account No. 50-0426 for the fee pursuant to 37 C.F.R. § 1.17(p) is hereby granted.

It is respectfully requested that the Examiner indicate consideration of the cited references by returning a copy of the attached form PTO-1449 with initials or other appropriate marks. Early passage of the subject application to issue is earnestly solicited.

The Commissioner is hereby authorized to charge any fees associated with the filing of this correspondence to Deposit Account No. 50-0426.

Respectfully submitted,

JENKINS, WILSON & TAYLOR, P.A.
